Sean Niles	Seminole County Sheriff's Office

Robin Butler called the March 22, 2005 meeting to order at 8:30 a.m. Minutes from the February 22, 2005 meeting were approved as submitted.

### **OLD BUSINESS:**

Eric Hill, Metroplan Orlando, discussed the Worst 1<sup>st</sup> Summit held in Orlando on Thursday, March 10, 2005. He is requesting that all CTST's in the region report crash data on locations within their jurisdiction. Robin has made this information available on the Internet with a path for Eric to retrieve on a monthly basis. It will not be necessary for any other Agency within Seminole County to submit data. Eric talked about starting a Regional Crash Data Base System with the information to be utilized by each municipality. The majority of the Agencies did not feel this information would ever be utilized by their respective municipality.

Chief Jackson, chair of the CTST Traffic Fatality Subcommittee, reported that the subcommittee has identified the 63 fatalities in 2004. The subcommittee is analyzing these crashes and determining if they are related to an enforcement issue, human factor or

engineering issue. An inconsistency in reporting has been identified and this problem is being addressed.

### **NEW BUSINESS:**

Scott Pleasants discussed the “Zero Tolerance” pedestrian activity which began on Monday, March 21, 2005. This event has already resulted in the issuance of 30 citations. Casselberry will have repeat operations in the future. The School Resource Officers will be conducting education in the area schools.

Altamonte Springs has had signs fabricated and installed at the exit walk adjacent to SR 434 between Sandlake Road and Jamestown Blvd. directing students exiting from Lake Brantley High to cross safely at the crosswalks at the these signalized intersections.

Robin discussed Work Zone Safety Awareness Week which will be April 3-8, 2005. A list of active Work Zones will be sent out by Robin and Philip. Please submit all activities on the “Enforcement Activity” reporting form found on the CTST web site. The theme for this year’s event is, “Slow Down or Pay Up”.

Robin discussed Railroad Safety Awareness Week scheduled for the week of April 17-23, 2005. This years event will be coordinated by Kris Burnham of Longwood PD. Check to see if your “Big Train Little Car” signs need to be replaced and contact Robin for reinstallation.

### **PROBLEMS AND SOLUTIONS:**

2004-19	SR436 over I-4	Still waiting on Suppliers.
2004-23	West Towne Pkwy @ Bunnell Rd	RR has been turned over to Sem. Co. Trail- but this has not officially happened due to paperwork. Signs Will be installed when this is official.
2004-30	SR434 @ Jamestown	Completed.
2005-1	SR436 EB from Lynchfield to I-4	DOT will have answer at next mtg.
2005-8	Montgomery Rd @ Jamestown Blvd.	Dispute over who maintains this. Robin sent Butch from sign dept. Paperwork that states this is Altamonte Springs.

2005-9	Lake Mary Blvd. EB Target & Payless Shoes	Removing painted gore areas. Creating continuous right turn lane.
2005-10	CR426 between Van Arsdale& Seminole Woods	There is a work order for an inspection of the area.
2005-11	US 17-92/Live Oak	Completed study. No protected Phase justified. Refurbishing Stop bar & crosswalk.
2005-12	Fern Park/SR436	Study underway will have at Next meeting.

\* SR434 @ Brantley Harbor/Front Lake Ln. Needs to be right turn only from  
Brantley Harbour onto SR 434.

\* SR434 FDOT has completed a corridor study from I-4 to Ronald Reagan Blvd.  
and is looking at this area for access management modifications.

\* US 17-92 at the Wal-Mart entrance Signal at Wal-Mart entrance will be  
relocated to Americana Blvd. and Sonny's Barbeque and a new signal will be installed at  
Lowe's entrance opposite of the southern most entrance to Wal-Mart. The existing full  
median access exiting Wal-Mart/Wendy's/Payless Shoes will be modified as a directional  
median opening.

\* US 17-92 @ Weldon Blvd. Flex stakes have been reinstalled.
